Sheeri Cabral

@sheeri

Mozilla Database Engineering

Who am I?

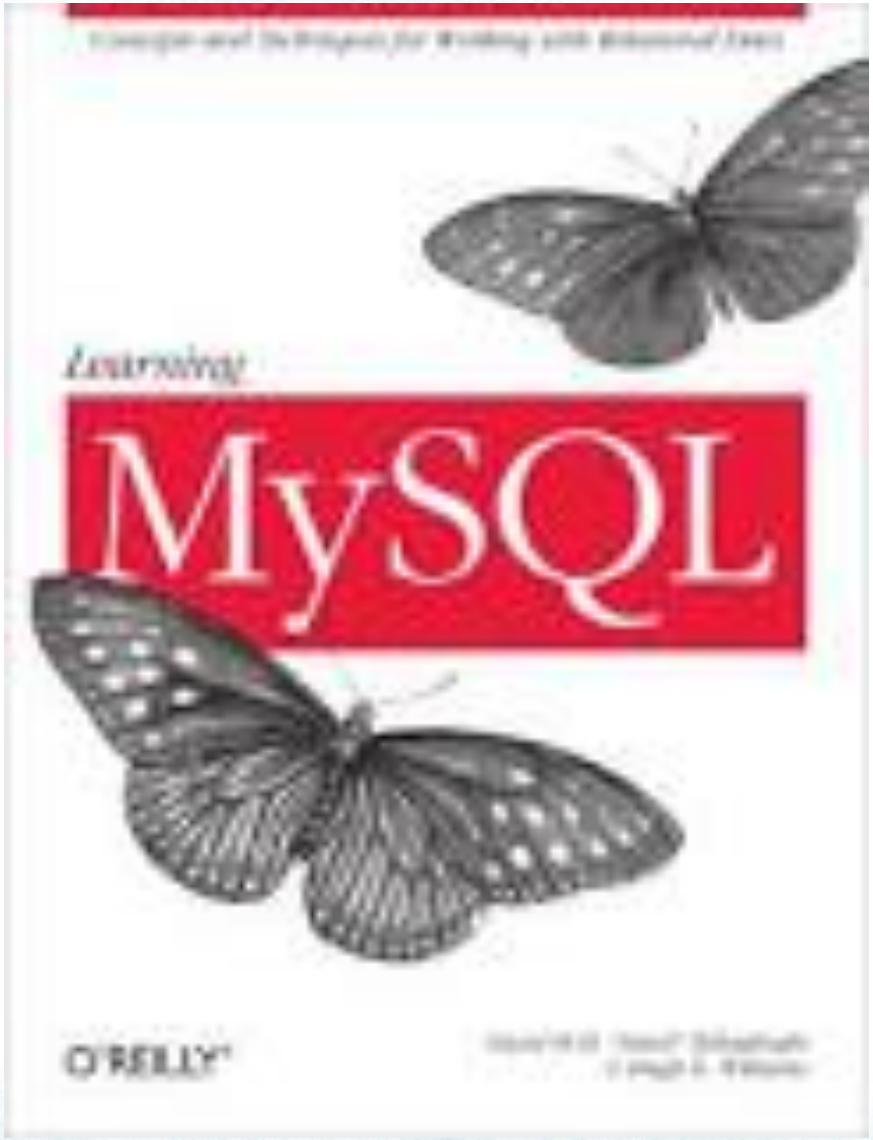
What is MySQL Marinate?

What is MySQL Marinate?

Inspiration

- PHP Percolate
- jQuery Jam
- HTML5 Brunch

The Book



The format

- Meetup group (www.mysqlmarinate.com)
  - Joining, leaving, mailing lists, all done for you
  - Built-in discussion forums

The format

- Meetup group (www.mysqlmarinate.com)
  - Joining, leaving, mailing lists, all done for you
  - Built-in discussion forums

The format

- One chapter per week
- Homework on github

Homework on Github:

Genius!

- If nothing else, learn fork/pull requests!

Requirements

- The book
- Access to a computer
- No really! Installing is chapter 2

Biggest Requirement

Time

The one requirement
I can't help with

If you get stuck

I'm here to help you out

So are folks on the forums!

Cost: FREE

Benefits:

Learning MySQL

Badges!
